Recognition Opportunities at the new Dundas Manor

Donor Wall

If you give \$10,000 or more, we would be pleased to publish your name / family name / business name etc. on the donor wall inside the new Dundas Manor. The donor wall will be placed in an area of the home that is visible to everyone, including the public. You may choose how you would like your name published, as long as there is sufficient character space to do so.

On the Property

If being outdoors is more your style, then perhaps having your name displayed in the sunshine or under the starry skies is for you.

If you donate between \$25,000 and \$74,999, you may choose one of the following options, in addition to having your name published on the donor wall:

A beautifully designed, metal laser-cut parking lot sign that includes your name.

Your name engraved in a brick in a retaining wall on the beautiful grounds of the new home.

Public Spaces Inside and Outside the Home

There are 28 public spaces home available for naming after donors who give between \$75,000 to \$499,999.

These spaces are in addition to having your name published on the donor wall.

The donor wall will be placed in an area of the home that is visible to everyone, including the public. You may choose how you would like your name published, as long as there is sufficient character space to do so. All community event organizers are eligible regardless amount raised.

Impact Report

For those who give between \$1,000 and \$9,999, you may choose to have your name listed in our Impact Report. This report will be published once the new home is built and our residents have moved in.

*All recognition opportunities will be offered on a first come, first serve basis except for the donor wall as there is no limit to the number of names we can publish.

*Recognition and naming opportunities are dependent upon available spaces in the new home and are respective to gift amounts. The list of naming remaining opportunities will be updated as spaces are named.

*For those who give in memory of a loved one, and wish to be recognized within the home, we will be using "in honour of" phrasing as opposed to "in memory of" phrasing.
